FAQ'S

> HOW EARLY DO YOU ARRIVE FOR SET UP?

I will arrive approximately one hour before the arrival of guests.

> CAN YOU TRAVEL TO DIFFERENT CEREMONY AND COCKTAIL HOUR VENUES?

Yes, I can! I will need approximately one hour + travel time between the end of the ceremony and the start of the cocktail hour.

> WILL YOU TRAVEL FOR DESTINATION AND/OR OUT OF STATE WEDDINGS AND EVENTS?

Yes, I will travel! Events over 35 miles away will incur a travel fee. For destination weddings: I do not take my harp on an airplane. Depending on the destination, I can arrange to rent a harp at the destination. I frequently drive to surrounding states such as WI, MI, IN, and IA. All travel and harp rental costs will be added to your bill.

> IS THE HARP LOUD ENOUGH FOR MY GUESTS TO HEAR?

The harp provides the perfect volume for solo and background music. During the planning process, we will work together to determine what amps and speakers will be best for your event to ensure that guests will be able to hear the music!

> DO YOU TAKE SONG REQUESTS?

Yes! I am happy to learn any piece of music that is not already in my repertoire. There is no extra charge for song requests made at least two months in advance.

> HOW FAR OUT DO YOU BOOK WEDDINGS AND EVENTS?

I book weddings and events about 6 - 9 months in advance. I am always happy to book an event on short notice, but if your event is less than two months away, I will not be able to accommodate song requests. I typically do not book events more than 12 months in advance so that I can make sure all my personal travel plans are in place before booking events. If your event is more than 12 months away, you can still reach out and join my waitlist to get first priority on your date when I open my books!

FAQ'S

> WHAT IS YOUR REPERTOIRE LIST?

I have hundreds of songs in my repertoire and am constantly adding to it! Please refer to "My Song List" which you can find on my website or instagram.

> WHAT ARE YOUR RATES?

Because each event I play at is unique and customized, rates may vary depending on the package you book, the amount of time needed on-site, the amount of music that will be played, travel distance, rehearsal with other musicians, etc. Please reach out to me so I can give you an accurate quote for your event!

> DO YOU COME TO THE WEDDING REHEARSAL?

I am always happy to attend the wedding rehearsal if I'm available, but it is not necessary. I am able to shorten or lengthen any song as needed, in real time, in order to make sure that your music flows perfectly. Wedding rehearsals are charged separately from wedding ceremony rates.

> HOW LONG CAN YOU PLAY FOR?

I have played events from one hour to seven hours! I take a fifteen minute break at the top of the hour, starting with the second hour.

> WHAT EQUIPMENT WILL I NEED TO PROVIDE FOR YOU AT THE VENUE?

Nothing! I bring all my own equipment, including bench, stand, and sound equipment. If your event requires an amp, I will need an electrical outlet. If your event is outside, I will need a flat, dry, shaded surface.
